

**November Moose Hunt** This 8 day hunt run in units that allow rifle hunting only in November. Many of our November clients like to add a second tag to this hunt because the whitetail are in rut at this time, because of this we've increased the length of the hunt without increasing the price and implemented the trophy fee to show you we're serious about our guys tagging game. The trophy fee here is basically used to cover the extra two days compared to the rut hunt. This is a perfect hunt to add other tags to. There are no trophy fees on extra species licenses purchased.

**Youth Hunt Special.** Continuing for the 2023 season is the Youth Hunt Special. It reads as follows "Any youth 12 to 17 years of age can hunt for free when accompanied by a full fare paying, supervising adult". My goal here is to promote hunting to our youth and what better way to do it then make it affordable for clients to bring their sons, daughters or grandchildren with them on this incredibly exciting adventure. Many clients have taken us up on this offer.

**Hunt Price.** All prices are listed in USD. These will be some of the best deals you will find in Alberta. You'll find some others that will match these but no one that will advertise better prices.

**Drop Camp Hunts.** We're currently the only outfit to offer the drop camp options on several fall hunts. On these hunts the clients provide their own equipment and supplies.

**5 Day Baited Bear Hunt Special** These hunts are conducted in the High Level area of Northern Alberta with the bulk of our hunting done near the famous Peace River watershed. The majority of the bait sites are located on the fringe of vast tracts of inaccessible land measured in thousands of square miles, with a bear population that can't be depleted. It's like hunting on the edge of a park or game preserve. This is one of the premier destinations for bear hunters in North America and known for producing both larger and more frequent color phased bears making it worth the effort it takes to get here. We also run 1 on 1 Spot & Stalk bear hunts in nearby non-baiting units. Tent camp hunt. 2 bear limit, 5 days hunting, 2 hunters / guide License and tax not included in basic hunt cost per person.
