

**BAIT HUNTING:** We use beavers, butcher scraps, bakery scraps, restaurant grease, oats, molasses and specialty bear lures for bait and it's hauled to site and stored. Our baits are set when there's still snow on the ground, several weeks prior to your arrival. Maintained regularly they become the bear's primary food source. Baits are accessible by four-wheel drive trucks, all-terrain vehicles or jet boat. As nocturnal animals, bears are hunted primarily in the evening. Hunters are taken to active bait sites in the late afternoon. Portable treestands are the preferred method in our area. They are 14 to 15 feet up and 20 yards from the bait. We are quite far north and the sun sets late. We are normally finished hunting by 10:30 p.m. and out of the bush by midnight.

We also run fall hunts for primarily for Moose but Elk, Whitetail and Mule Deer as well. These hunts are near Edson about 2 hours west of Edmonton.

**THE BEARS:** Our area in the beautiful Peace River water shed near the town of High Level AB has one of the highest trophy bear populations in North America with about 10 to 15% being color phase. Light hunting pressure allows us to produce a higher percentage of larger, older boars for our hunters. This is representative of a mature population. Bears are so plentiful here that each hunter is allowed two tags.

**STATISTICS:** The Silver Fox Outfitters “two tag” hunters have averaged more than a 180% shooting rate for over 2 decades. This is one of the highest success rates in the province. We manage this by: regulating the number of hunters we take, using fresh quality bait hauled to the hunting area in our own 28 ft reefer trailer, setting strategically located baits, and by ensuring that our guides know the area we hunt. Our past success rate speaks for itself. It's easy to see that Alberta is the place to be for fantastic bear hunting. Eric Rauhanen and the Silver Fox Outfitters “team” are the right choice for you.

**Youth Hunt Special:** Any youth 12 to 17 years of age can hunt for free when accompanied by a full fare paying, supervising adult.

SFO Bear hunting area
